**April 2018**

Dear Parents and Carers

**RE: Year 7 and 8 Parent Consultation Evening and Year 8 options information**

A parent consultation evening for students in Years 7 and 8 will take place from 4:30pm to 6:30pm on Thursday 12 April.

This is an opportunity to meet with subject teachers to discuss your child's academic progress this year. Your child should make appointments on your behalf with subject staff; please discuss with your child which teachers you wish to meet with, to enable them to make the necessary appointments. If a subject teacher particularly wishes to see you, they will request an appointment themselves via your child.

**Year 8 Options information**

The evening is also an opportunity for students and parents to find out more about the GCSE courses available and how students can select subjects. There will be two opportunities, during the evening, to attend a presentation on the options programme. The first talk will be at 4:15pm and the second at 5:30pm. Subject staff will also be available to answer questions about individual courses.

I would also like to remind you of our new app and online service which allows you to make online purchases for lunches and view any purchase history. You are also able to view your child's achievements, attendance, timetables and reports. If you have not already signed up for this we will have staff available in a dedicated area to help you download the app and register an email address so you receive all the latest information.

We look forward to seeing you on the evening.

Yours sincerely

**Mrs A Rooney**  
Principal
