April 2018

Dear Parents and Carers

**Re: Tour de Yorkshire**

As you will be aware from local and national media campaigns, cycling's Tour de Yorkshire is due to come through Conisbrough, Denaby and surrounding communities on Friday 4<sup>th</sup> May.

**The academy will be open as normal** and we do not expect student attendance to be affected by the event.

Those who travel some distance to the academy are advised to look at the following website to help plan their journey to school and any onward commutes or journeys.

[www.doncaster.gov.uk/services/culture-leisure-tourism/tour-de-yorkshire-2018-traffic-and-travel](http://www.doncaster.gov.uk/services/culture-leisure-tourism/tour-de-yorkshire-2018-traffic-and-travel)

The website offers useful advice on parking, viewing points for the race and road closures. The women's race will pass through the area shortly after 9am and the men's race will follow later in the day, reaching Conisbrough around 3pm (times are approximate).

Most students will leave the academy at 2.30pm, in time to enjoy the men's race if they choose, however, the academy cannot be responsible for their welfare at this public event, so we recommend that arrangements be made with parents/carers in advance, to keep them safe.

We hope you can enjoy the tour; it is nice to see Conisbrough and Denaby on the map!

Yours sincerely

**Mrs A Rooney**  
Principal
