School Direct is a national teacher training initiative, which offers an exciting opportunity to train alongside outstanding practitioners, gaining valuable knowledge, skills and professional attitudes that will enable you to start your personal journey towards becoming an excellent teacher and future leader.

Delta Teaching School Alliance is working in partnership with **Sheffield Hallam University** to offer School Direct places for 2018/19. As part of the training you can gain a **Post Graduate Certificate in Education (PGCE)** with **Qualified Teacher Status (QTS)**. Two types of School Direct training places are available:

- **School Direct Training Programme (unsalaried)** is open to all graduates and funded by tuition fees paid by the trainee, who may receive a bursary from the government.
- **School Direct Training Programme (salaried – UQT1)** is an employment-based route into teaching for high quality graduates with three or more year's career experience (discretionary consideration given to less).

We offer the following courses in partnership with **Sheffield Hallam University**, through the **School Direct Training Programme**:
