

## Academy Values Ethos and Vision

De Warenne Academy is a close-knit community and we pride ourselves on knowing our pupils well and doing our utmost to ensure everyone fulfils their potential.

We aim to ensure that our pupils can learn in a safe and supportive environment, where everyone values academic achievement and has a positive attitude to learning. We strongly encourage our pupils to take part in a wide range of enrichment activities in order to discover all their strengths and talents. We also regularly organise whole school events and educational visits so that our pupils have experience of learning beyond the classroom.

Ultimately, we understand that our pupils are most successful when they feel happy, valued, challenged and supported to achieve their very best. Our dedicated and talented teachers and support staff are committed to ensuring the best possible outcomes for every child in our care.

The De Warenne Academy values, written by pupils and staff in 2020, are:

- Everyone treated equally and with respect
- Keep expectations high
- Always be your best

De Warenne Academy is part of Delta Academies Trust, an educational charity led by Paul Tarn, our Chief Executive Officer.
